# SPRING BULL SALE

**Monday ■ March 27, 2023 ■ 6 PM**

*At the Maplecrest Meats & More store • 547 South High Street, Hillsboro, Ohio  
(across from Holtfield Station and in front of Ponderosa Restaurant)*

**New Sale Location!**

2594 State Route 73 • Hillsboro, Ohio 45133  
maplecrestangus@gmail.com

Dear Friends,

All of us here at Maplecrest Farms are excited to invite you to our 2023 Spring Bull Sale scheduled for Monday, March 27 at 6:00 p.m. We welcome the opportunity to visit with past and potential customers about your herd sire needs and to evaluate the progress we are making with our program.

While the overall economy in general and agriculture in particular have faced significant challenges over the past several years, the economic outlook for beef industry in the immediate future is very positive. The nation's cow herd has been reduced to levels not seen for over 60 years which should provide producers of feeder calves and market cattle increased marketing opportunities and improved sale prices.

We continually strive to produce quality seedstock for purebred and commercial breeders alike. It is our long-standing belief that high quality seedstock must excel in their genetic projections in combination with positive structural design. Maplecrest will always use the tools available to produce relevant cattle that balance calving ease, growth, maternal, and carcass traits in a phenotypically correct package.

The Angus and Simmental-Angus bulls will sell with a Breeding Soundness Exam and genetic profile test. Maplecrest maintains Certified and Accredited herd status for TB and Brucellosis and all bulls have been tested for BVD-PI. We offer a Breeding Season Guarantee and free delivery within a 200-mile radius.

Maplecrest Meats and More was a partnership established in 2021 that features beef produced from our operation along with Certified Angus Beef®. It is an exciting process to see the results of our genetic selections marketed directly to the consumer. This enterprise boosts our confidence that our genetic focus will help the commercial cattleman produce cattle that the beef industry needs to satisfy the consumer's strong demand for high quality beef.

This year the bull sale will be held at the Maplecrest Meats and More store located at 547 South High Street (U.S. 62) in Hillsboro. Food will be served at 5:00 p.m. and the sale will begin at 6:00 p.m. The bulls will sell in catalog order by video with live bidding at the sale location and internet bidding available through Live Auctions.TV. The bulls will remain at the farm located at 8863 W. Berrysville Rd., Hillsboro, and can be viewed at anytime prior to the sale.

Please give us a call if we can answer any questions about the cattle. We look forward to seeing you on the evening of March 27.

Thanks!

John

# SPRING BULL SALE

Monday, March 27, 2023 • 6 PM

NEW  
LOCATION

**MAPLECREST MEATS & MORE store**

547 South High Street • Hillsboro, Ohio  
(across from Holtfield Station and in front of Ponderosa Restaurant)

*Plan to join us for dinner and a program at 5:00 PM  
followed by the sale at 6:00 PM!*

## SELLING 53 REGISTERED ANGUS AND SIM-ANGUS HERD BULL PROSPECTS

**36 Registered Angus Bulls**  
**17 Registered Sim-Angus Bulls**

The bulls can be viewed anytime by appointment prior to the sale at 8863 W. Berrysville Rd., Hillsboro, Ohio. The sale will be a video auction broadcast on LiveAuctions.tv. Bulls will not be on site sale day.

**PREMIER GENETICS =  
PREMIUM BEEF**

### SALE DAY PHONES

John's Cell: (937) 763-6000

Adam Hall: (740) 336-8142

Lindsey Hall: (937) 763-8115

**AUCTIONEER:** Eddie Burks

**HERD HEALTH:** Maplecrest Farms is federally certified and accredited and all sale cattle will be accompanied by appropriate health certificates for immediate shipment.

**BREEDING GUARANTEE:** All bulls have passed a breeding soundness evaluation and are believed to be fertile to the best of our knowledge. Bulls that sell for \$3000 or more will be guaranteed to be fertile for one year. If a bull becomes infertile, injured or unable to breed, we will replace the bull if possible or issue credit in a future sale less \$1,000 for salvage value. We request that proper care and attention be provided to these bulls, please call us as soon as a problem arises.

**TERMS & CONDITIONS:** Cattle will sell under the suggested terms and conditions of the American Angus Association.

**SUPPLEMENTAL INFORMATION:** Any supplemental information provided sale day or announced from the auction block will take precedence over information provided in the sale book.

**FREE DELIVERY:** Free delivery will be offered on all bulls within a 200 mile radius of Hillsboro, Ohio.

Real-time internet bidding is available for this sale. Please visit [www.LiveAuctions.tv](http://www.LiveAuctions.tv) to create an account and request a buyer number.

We lead off the spring yearling Angus bulls with one of the most intriguing herd sire prospects raised at Maplecrest. This stout made, attractive son of our natural herd sire Touchdown was produced by an excellent young Method daughter. His genetic predictions indicate he should deliver explosive growth and elite carcass merit. He has 10 EPDs and Dollar Indexes that rank in the Top 1% of the Angus breed. Don't overlook this one!

We conclude the Angus portion of this sale offering with a bull that blends two of the most impactful cow families in the history of our program. This combination of the Blackcaps and Evas has produced a herd sire prospect that addresses nearly every economically relevant trait that impacts the commercial cow-calf producer.

Maplecrest Farms has earned a reputation as a premier Angus seedstock supplier in Ohio for more than 35 years. From farm to fork, the connectivity between seedstock supplier, commercial beef industry and our ultimate customer, the consumer has never been more important or as valued. Maplecrest Meats is the natural evolution for our family to forge a direct connection between what we produce as ethical stewards of the land, and our customers. Marketing bulls to commercial cow-calf producers and now marketing premium beef has laser-sharpened our focus to place even more selection pressure on balancing all the traits of economic importance.

This Sim-Angus bull is one of the most interesting herd sire prospects in the sale. This son of the popular ABS sire Boulder traces directly to a maternal sister to the noted Angus bull G A R Prophet. This prospect features solid calving ease, growth, and marbling projections with positive API and TI indexes
